PROFESSIONAL EXPERIENCE

Brampton Honey Badgers CEBL, *Scout and Gameday Analytics Intern*, Brampton, Ontario

May 2026 - Aug 2026

- Assisted in playoff advanced scouting, breaking down sets, personnel, PNR insights, and more into actionable and highly readable reports.
- Helped with personnel scouting, creating video edits and concise summaries of prospective players to give our coaches and managers an efficient starting point.

GW Hoops, *Head Coach and Player Development*, Kelowna, British Columbia

2023 - Current

- Led U15 boys' program and supported U14/U17 teams.
- Mentored youth athletes and coordinated individual training programs.
- Managed communication and planning within staff and parent groups.

PGC Basketball, *Basket Instructor*, United States

May 2023 - Aug 2023

- Delivered youth development sessions for thousands of athletes across the US.
- Emphasized communication, leadership, and safety.
- Received training from established collegiate and professional coaches focused on developing leadership, communication, and teaching skills.

PLAYING EXPERIENCE

University of British Columbia Okanagan & Lakehead University, *USPORT Men's Basketball*

2020 - 2026

- Served as team captain for three seasons.
- Balanced full-time athletics with a strong academic record.

Winnipeg Sea Bears CEBL, *USPORT developmental player*, Winnipeg, Manitoba

May 2025 - Aug 2025

- Competed with and against high-level professional athletes.
- Learned valuable communication, teamwork, and competitive skills necessary to thrive in a dynamic high performance professional setting.
- Organized and coached numerous community outreach youth basketball events partnered with Basketball Manitoba.

SKILLS

- *Computer Skills:* Python, R, SQL
- *Basketball/Video:* Synergy, Davinci Resolve, Google Slides, Google Sheets, Photoshop, Premiere Pro
